## Corporate Summary

**Apex Translations, Inc., is a medium-size translation company registered as a C-type Corporation in the state of Indiana. Apex was founded in 1998 and has become a highly competitive document translation company, catering to small and large corporations, organizations, and government agencies in the US and Europe.**

The company's headquarters are located in Plymouth, NC. Apex also has regional offices in Columbus, IN, as well as in Germany and Austria. To date, we have served more than 10,000 clients, providing translation services in more than 200 language pairs, using the linguistic and subject matter skills of more than 600 linguists. Apex Translations, Inc., is certified to conform to the requirements of the ISO 17100:2015 and 18587:2017 quality standards.

### **Our Corporate Philosophy:**

“Top quality is produced when highly educated and knowledgeable people use advanced and appropriate tools and processes in a skillful and cost-efficient way.”

## Our Services

### → APEX, YOUR LONG-TERM STRATEGIC PARTNER

When you work with Apex, you can expect a full complement of services to support your translation and localization needs:

- Document translation and editing
- App, website, and software localization
- Multimedia solutions
- Multilingual DTP and graphic design
- Cultural competency consulting

Should you use Apex as your translation service provider, a designated project manager familiar with your project requirements and communication needs will shepherd your project from start to finish, ensuring high-quality document translation services and customer satisfaction.

## Our Commitment to Quality

When you need to communicate important information in a foreign language, it's critical to choose a company that has the competencies and resources to render clear and concise translations of your documents.

To achieve this goal, Apex is certified to conform to the requirements of the international ISO 17100:2015 and 18587:2017 Quality Management standards. These standards provide a formal framework for managing and improving our processes, and for constantly reinforcing our commitment to maximizing customer satisfaction.

## Customer Support

In addition to providing high-quality translation services, you can also count on us to provide consistent and reliable customer support:

- Wide-ranging localization services including audio/visual, transcription, as well as DTP and graphic design services compliant with ISO 17100:2015 and 18587:2017 Quality Standards
- Single point of contact to facilitate an uninterrupted flow of communication
- Support of a variety of file formats
- Rush services
- 24/7 support to address any linguistic and/or project management issues that may arise
