"Excellent" ★★★★★

Apex SmartGrade™ – Translations tailored to fit your needs

Apex provides two distinct translation options to better address your localization needs.

As part of our comprehensive customer support, we encourage you to discuss your specific project requirements with us to help you choose the package that best meets your needs or to recommend any necessary adjustments to our translation process. This ensures that the translated content will meet all of your expectations before finalizing an agreement.

	Premium package	Standard Package
ISO Standard	Complies with ISO 17100:2015	Complies with ISO 18587:2017

Practical examples	Ideal for legal and medical documents, as well as industry-specific technical documentation.	Great for projects requiring a fast turnaround, manuals, corporate communication, e-commerce content, and much more.
Pricing	Baseline	Approx. 60-80% of our Premium Package

To ensure that we are able to meet your most challenging language service needs, we additionally offer the following supplemental services:

- ➔ **Transcreation** — Our team of expert linguists possesses comprehensive expertise in language nuances and cultural contexts, delivering transcreated content that resonates with your audiences and enhances your brand's global impact. Pricing and turnaround times for this service are assessed on a case-by-case basis.
- ➔ **Machine translation and light post-editing** — Our cutting edge machine translation solution coupled with light post-editing can provide you with quick and cost-effective translations that are refined by our skilled editors. This service combines efficiency and accuracy, catering to the evolving demands of today's fast-paced global business landscape.
