Corporate Summary

Apex Translations, Inc., is a medium-size translation company founded in 1998 that is registered as a C-type corporation in the State of Indiana. It is headquartered in Plymouth, NC, and has regional offices in Germany, Austria, and Columbus, IN. To date, the company has served more than 10,000 corporate, individual, and government entities. It has provided translation services in more than 200 language pairs, using the linguistic and subject matter expertise of more than 1,200 linguists.

Our Services

→ **APEX, YOUR LONG-TERM STRATEGIC PARTNER**

By partnering with Apex, you can expect a comprehensive range of services to cater to your translation and localization requirements:

- Translation services
- Desktop Publishing
- Graphic design
- Certification of our translations
- Multimedia solutions / E-Learning
- Cultural competency consulting

Should you use Apex as your translation service provider, a designated project manager familiar with your project requirements and communication needs will shepherd your project from start to finish, ensuring high-quality document translation services and customer satisfaction.

Our Commitment to Quality

To ensure that our services meet the highest standards, we have implemented a rigorous Quality Management System and obtained certification for compliance with the ISO 17100:2015 and ISO 18587:2017 Quality Standards.

These standards provide a formal framework for managing and improving our processes, and for continuously reinforcing our commitment to maximizing customer satisfaction.

Customer Support

Our team is dedicated to providing a comprehensive customer experience that is tailored to cater to your specific requirements.

- Client onboarding to address your particular project needs and objectives
- Access to our secure client portal to manage all your projects at your convenience
- Dedicated account management with a single point of contact to facilitate uninterrupted flow of communication
- Collaboration with your review team to ensure compliance with your company-specific terminology and style guides
- Support of a variety of file formats
- Rush services
